Faridabad

Manav Rachna International Institute of Research and Studies, Faridabad
(Deemed-to-be-University u/s 3 of UGC Act 1956)
Mandatory Disclosure

1) About HEI/ University

A. About Us: Overview

With a mission to become a Centre of Excellence for Higher Education where aspiring students can be transformed into skilled and well-rounded professionals, Career Institute of Technology & Management (CITM) affiliated to Maharshi Dayanand University, a State University of Haryana was established in the year 1997. It was conferred a status of Deemed University under Section 3 of UGC Act, 1956 by MHRD, GoI on the recommendations of the UGC, AICTE and Government of Haryana in the year 2008 in the name and style of Manav Rachna International University (MRIU). Vide MHRD Notification No. F.9-3/2007.U3(A) dt. 11/01/2018, the name of Manav Rachna International University, Faridabad (Haryana) has been changed to Manav Rachna International Institute of Research and Studies (Deemed to be University). Ministry of Human Resource Development, Govt. of India vide Notification No. F.9-3/2007/U3(A) Vol.2 dated 08-06-2018 has further extended/regularized the deemed to be University status to Manav Rachna International Institute of Research and Studies, Faridabad, Haryana from 21.12.2013 onwards. In pursuance to the Notification No. F-10/2016-U3 (A) dated May 13, 2019 issued by Ministry of Human Resources Development (MHRD), Department of Higher Education, ICR Division, Govt. of India, New Delhi, Manav Rachna Dental College (MRDC) has been included under the ambit of MRIIRS as a constituent Institution MRIIRS has registered an all-round growth in academics, research and development, ISR, student support and progression, leadership and governance, environmental consciousness besides achievements in many other exemplary processes and procedures.

· *Accreditations and Rankings:*

The University caters to all quality processes very ingeniously and as a result it has been accredited with 'A++' Grade during its 2nd cycle by National Assessment and Accreditation Council (NAAC) in February 2023 for 5 years from 20th February 2023 valid up to 19th February 2028. UGC recognized MRIIRS as Category-I Deemed to be University vide notification no. D.O.No.F.1-1/2018(CPP-I/DU) dated April 01, 2024, as per the UGC Regulations 2018 for Categorization of Universities for Grant of Graded Autonomy. Manav Rachna Dental College (a constituent institution of MRIIRS) has become NABH accredited Dental College in Haryana. The two engineering programmes namely

B.Tech.- Computer Science and Engineering and Biotechnology and one management programme MBA have been accredited by the National Board of Accreditation under Tier I. MRIIRS has been ranked among the top 11 globally in the Times Higher Education (THE) Online Learning Rankings 2024 and has proudly secured its position in the Gold Category. It has also been awarded the prestigious QS Stars rating, scoring five stars rating in seven categories i.e. Teaching, Employability, Academic Development, Facilities, Social-responsibility, Inclusiveness and Programme Strength of Computer Science and Engineering Programme and rated MRIIRS with Overall 4 Star rating in year 2023. Manav Rachna International Institute of Research and Studies has been ranked at 240 by the QS Asia University Rankings 2025: Southern Asia based on the quality maintained in Academics, Faculty-Student Ratio, International Faculty Ratio, International Students Ratio, and International Research Network. The Times Higher Education (THE) Impact Rankings 2024, are global performance benchmarks that assess universities on their endeavours toward achieving the United Nations' Sustainable Development Goals (SDGs). These one-of-a-kind rankings evaluate the universities globally. MRIIRS has been ranked among the very top (40th) in India based on the initiatives in the direction of Sustainability. The UGC vide letter No. F.No. 22-1/2019(CPP-1/DU) dated 10th June 2020 has granted 12B Status to MRIIRS. A well-entrenched Internal Quality Assurance Cell has led to many quality-enhancing initiatives in the University. Energy Management System of MRIIRS is ISO 50001:2018 and the Environmental Management System of MRIIRS is ISO 14001:2015 certified. MRIIRS proudly awarded the ISO 21001:2018 certification for its Management System for Educational Organizations on 25th June 2024.

· *University Curricular and Teaching-Learning Aspects:*

MRIIRS is offering UG, PG and Ph.D. programmes in the broad areas of engineering, management, dental, media, business-studies, physiotherapy, foods and nutrition, social-sciences, computer applications and other consanguineous areas. We have forged knowledge partnerships with leading organizations like Microsoft, SAS, Mitsubishi, Xebia, Honda Motors, Electric One Mobility Pvt. Ltd., Bombay Stock Exchange and others to add value to our programmes. A Local Chapter of NPTEL-SWAYAM at MRIIRS has been recognized with a rating of 'AA' based on the performance in NPTEL Online Certification courses. MRIIRS Recognized as a Leading Nodal Centre for Virtual Labs

by IIT Delhi under the National Mission on Education through Information and Communication Technology (NMEICT). This initiative enables remote access to simulation-based experiments, promoting the shared use of costly equipment and resources. Adding to its accolades, MRIIRS has earned the prestigious 1st Rank in Haryana for exceptional utilization of Virtual Labs during the year 2024. The emphasis is on imparting quality education along with fostering a spirit of

inquisitiveness among the students to open up new vistas of knowledge. Great store is set by practical training in the laboratories, industry attachments and project works.

- *Research and Innovation:*

MRIIRS believes in touching and transforming every life through an academically sound, intellectually inspiring and supportive environment which ushers innovative, academic and applied research within and cross-domain disciplines. In the onward research journey at MRIIRS, efforts have been undertaken to not only seed the culture of research but also to achieve substantial momentum in the research publications in Scopus and Web of Science apart from several in PubMed, with the University h-index as 48. To promote a research culture as a testimony of its commitment towards excellence, Research Innovation and Incubation Policy augmented by necessary infrastructure, aids the ecosystem to stimulate quality research in emerging areas. The university has been recognized for its research acumen at State Government level, as reflected in award of State Government Projects on National Flagship Programs namely Jal Jeevan Mission (JJM) and Atal Bhujal Yojna. Several other research projects, consultancy projects, start-ups and patents are on the horizon of research at the campus. We have a well-entrenched Ph.D. programme in the University and all UGC guidelines 2016 on the subject are followed.

The Manav Rachna NewGen IEDC funded by NSTEDB has contributed towards the creation of the Innovation ecosystem and has led to innovative start-ups, quality patents, and numerous recognitions won at various national and international platforms. Regular research/innovation related events are organized at MRIIRS for the students to showcase their relevant skills: Projects of our students are highly appreciated in different forums and have regularly won awards and recognition in various national and international competitions. Manav Rachna Research, Innovation and Incubation Centre (MRIIC) acts as a facilitation centre for the students.

- *State-of-the Art Infrastructure:*

A sprawling campus on the outskirts of Delhi with well-equipped laboratories, classrooms aided by smart devices, seminar halls, auditoriums, amphitheatres, campus-wide internet access along with liberal computer resources go a long way in providing a stimulating academic ambience. A state-of-art library rendered with rich digital resources (accessible through online portal and is fully automated using KOHA and RF-ID systems), necessary amenities and technological support provides a huge repository of knowledge. The university houses grounds for cricket, volleyball, basketball, badminton & soccer, international shooting ranges of 10m, 25m and 50m and other

infrastructure gymnasiums (outdoor and indoor), squash, table-tennis, pool, Yoga and music & recreation which helps students in realizing their inherent talents and provide a unique avenue for recreation.

RASHTRIYA KHEL PROTSAHAN PURASKAR from the President of India as the best university for promoting sports bestowed on November 13, 2021 is a testimony to the university's commitment in fostering talent.

· ***Institutional Social Responsibility:***

We are well aware of the social responsibility of academic institutions and we discharge our commitments to the community with great alacrity. Regular participation in Institutional Social Responsibility (ISR), such as carrying out activities in the fields of Awareness and Prevention of Deadly Diseases, Swachha Bharat drive, Oral Hygiene, Rehabilitation, Environment, Social Upliftment, Ek Muthi Daan, Waste Paper Collection Drive, Mega Plantation Drive, Removal of illiteracy through many programmes including Teacher on Call and Kaushal Karyashala, Regular Health Camps, Blood Donation, Awareness and Prevention of Child Labour, Anti Ragging and Social Harmony is customary with us.

B. MOA

The approved MOA of Manav Rachna International Institute of Research and Studies is available at university website under Statutory Compliances and can be accessed through the following link:

https://manavrachna.edu.in/assets/campus/mriirs/pdf/MoA_compressed.pdf

C. Institutional Development Plan

Institutional Development Plan (IDP) has been prepared to align the vision and mission of Manav Rachna International Institute of Research and Studies with National Education Policy 2020, National Curriculum framework, Sustainable development goals. Stakeholders were meaningfully engaged to prepare the plan for its effective implementation. The approved Institutional Development Plan of MRIIRS can be accessed through the following website link:

<https://manavrachna.edu.in/assets/campus/mru/pdf/Institutional%20Development%20Plan%202023.pdf>

D. Constituent Units

Manav Rachna Dental College (MRDC) is a constituent college of MRIIRS and is NABH accredited. Manav Rachna Dental College was established in 2006 and is offering BDS Degree and MDS

Degree programmes by Ministry of Health & Family Welfare, Govt. of India and Dental Council of India and is affiliated to Manav Rachna International Institute of Research and Studies Faridabad (under School of Dental Sciences). MRDC was earlier affiliated to Pt. B. D. Sharma University of Health Sciences, Rohtak came under the ambit of the Manav Rachna International Institute of Research and Studies as a Constituent Institution vide MHRD Notification F.10-6/2016-U3(A) dated 13th May, 2019.

MRDC offers following programmes:

- ✚ Bachelor in Dental Surgery
- ✚ Master of Dental Surgery (MDS)- Prosthodontics, Crown & Bridge
- ✚ Master of Dental Surgery (MDS)- Orthodontics and Dentofacial Orthopaedics
- ✚ Master of Dental Surgery (MDS)- Conservative Dentistry and Endodontics
- ✚ Master of Dental Surgery (MDS)- Paediatric and Preventive Dentistry
- ✚ Master of Dental Surgery (MDS)- Periodontology

E. Accreditation / Rankings (NAAC, NBA, NIRF)

The University caters to all quality processes very ingeniously and as a result it has been accredited with during its 2nd cycle by National Assessment and Accreditation Council (NAAC) in February 2023 for 5 years from 20th February 2023 valid up to 19th February 2028. MRIIRS has reached new heights in academic excellence with its remarkable performance in the NIRF Rankings 2024. Securing Rank 92 among India's top universities, MRIIRS has once again demonstrated its commitment to academic quality, research, and innovation. Additionally, Manav Rachna Dental College (MRDC) has solidified its position as a leader in dental education by securing Rank 38. Notably, MRDC is the only private dental college from North India to achieve this prestigious ranking, further cementing its reputation for excellence in dental education and research. MRIIRS has been placed in the rank band (100-150) by NIRF for both Engineering and Overall category. Manav Rachna Dental College is now NABH accredited since January and is valid up to 3rd January 2028.

The two engineering programmes namely B.Tech.- Computer Science and Engineering and Biotechnology and one management programme MBA have been accredited by the National Board of Accreditation under Tier I. It has also been awarded the prestigious QS Stars rating, scoring five stars rating in seven categories i.e. Teaching, Employability, Academic Development, Facilities, Social-responsibility, Inclusiveness and Programme Strength of Computer Science and

Engineering Programme and rated MRIIRS with Overall 4 Star rating in year 2023. **MRIIRS has made its inaugural appearance in THE World University Rankings 2025, achieving an impressive National Rank of 59.** Among distinguished institutions, MRIIRS is ranked among the top 8 in Delhi NCR and top 2 in Haryana—a significant milestone that underscores our unwavering commitment to educational leadership. Our Teaching Pillar, ranked 24th in India, epitomizes our dedication to academic distinction. **MRIIRS proudly holds the 1st position in Haryana and are recognized as the premier private university in Delhi NCR for pedagogical excellence.** MRIIRS has secured an impressive Global Rank Band of 501-600 in the Interdisciplinary Science Ranking 2025, reflecting its commitment to academic excellence and research innovation. At the national level, MRIIRS stands 46th, further strengthening its position as a leading institution in India. In regional rankings, MRIIRS has emerged as the 2nd best Deemed University in Haryana, the 1st Private Deemed University in Delhi-NCR, and the 6th best Private University in Delhi-NCR.

Manav Rachna International Institute of Research and Studies has been ranked at 240 by the QS Asia University Rankings 2025: Southern Asia based on the quality maintained in Academics, Faculty-Student Ratio, International Faculty Ratio, International Students Ratio, and International Research Network. Along with this honor, **the Global Engagement Performance Improvement Award** further highlights our commitment to continuous growth and global impact. MRIIRS has been honored as one of the five winners of the Global Engagement Performance Improvement Award at the prestigious QS Higher Ed Summit: Asia Pacific 2024, held at Macau University of Science and Technology (MUST), Macau SAR, China. This year MRIIRS has also established a top 55th global position in QS International Trade Rankings. At the QS I-GAUGE Institution of Happiness Conclave 2024 in Bengaluru, MRIIRS honored with the prestigious "Institution of Happiness" certification. This recognition underscores the university's steadfast dedication to mental well-being, inclusivity, and holistic education.

The Times Higher Education (THE) Impact Rankings 2025, are global performance benchmarks that assess universities on their endeavours toward achieving the United Nations' Sustainable Development Goals (SDGs) with global band 801-1000. These one-of-a-kind rankings evaluate the universities globally. MRIIRS has been ranked among the very top in India based on the initiatives in the direction of Sustainability:

- ✚ Ranked among the top 600 globally and 13th in India for the Sustainable Goal of No Poverty (SDG-1)
- ✚ Ranked among the top 300 globally and 11th in India for the Sustainable Goal of Zero Hunger (SDG-2)
- ✚ Ranked among the top 600 globally for Good Health & Well Being (SDG-3)- 16th in India
- ✚ Ranked among the top 300 globally for Gender Equality (SDG-5)- 9th in India
- ✚ Ranked among the top 300 globally and 24th in India for clean water and sanitation (SDG-6)

- ✚ Ranked among the top 600 globally and 33rd in India for Affordable and Clean Energy (SDG-7)
- ✚ Ranked among the top 600 globally and 17th in India for Industry Innovation and Infrastructure (SDG-9)
- ✚ Ranked among the top 600 globally and 13th in India for Sustainable Cities and Communities (SDG-11)
- ✚ Ranked among the top 800 globally and 34th in India for Responsible Consumption and Production (SDG-12)
- ✚ Ranked among the top 600 globally and 15th in India for Climate Action (SDG-13)
- ✚ Ranked among the top 600 globally and 11th in India for Life Below Water (SDG-14)
- ✚ Ranked among the top 400 globally and 14th in India for Life on Land (SDG-15)
- ✚ Ranked among the top 1500 globally and 45th in India for Partnership for Goals (SDG-17)

As an educational institution that thrives with the motto "Sustainability drives Globality", our zealous pursuits towards sustainable actions are at the heart of all our initiatives.

The UGC vide letter No. F.No. 22-1/2019(CPP-1/DU) dated 10th June 2020 has granted 12B Status to MRIIRS. A well-entrenched Internal Quality Assurance Cell has led to many quality-enhancing initiatives in the University. Energy Management System of MRIIRS is ISO 50001:2018 and the Environmental Management System of MRIIRS is ISO 14001:2015 certified. MRIIRS proudly awarded the ISO 21001:2018 certification for its Management System for Educational Organizations on 25th June 2024.

Link: <https://manavrachna.edu.in/mriirs/about/awards-recognitions>

C. Pro Vice Chancellor: Dr. Naresh Grover

- Four decades of experience in Teaching, Research, Academics and Administration including almost 2 decades of service in Department of Technical Education, Haryana
- Author of 3 books and more than 30 research papers
- Ph.D (FPGA based Digital System Design)
- M. Tech and BSc (Engg) with Hons from (REC, Kurukshetra)
- All Academic Affairs, IQAC, Examinations, EMS, Accreditations and Assessments

<https://manavrachna.edu.in/mriirs/about/leadership-talkvcs-message-pvcs-message>

D. Pro Vice Chancellor: Dr. Pardeep Kumar

- More than 27 years of Teaching, Research, Academics and Administration experience
- Ph.D (Physics), M.Sc. (Physics), B.Sc (Hons.)
- Awarded RA Fellowship by CSIR and DRDO
- Engineering and Design Programmes

<https://manavrachna.edu.in/mriirs/about/leadership-talkvcs-message-pvcs-message>

E. Pro Vice Chancellor: Dr. Punnet Batra

- More than 25 years of experience
- M.D.S., B.D.S. Gold Medalist
- Member Smile Train Research Innovation Advisory Board (STRIAC)
- Certified by DRDO in AI and Machine Learning
- **Dental Council of India representative to UGC-Jan 2021-Present**
- Dental Sciences and Allied Health Sciences Programmes, International Collaborations and Affairs

<https://manavrachna.edu.in/mriirs/about/leadership-talkvcs-message-pvcs-message>

F. Registrar: Dr. Meenakshi Sharma Khurana

- Former PVC, Manav Rachna University
- Nearly 2 decades of experience in Academia
- MSc, PhD University of Roorkee (IIT Roorkee)

<https://manavrachna.edu.in/mriirs/about/key-functionaries>

G. Finance Officer: Sh. Santosh Kumar Jha

Sh. Santosh Kumar Jha is the Chief Finance Officer of MRIIRS.

H. Controller of Examination: Dr. Anita Khosla

- More than 30 years of experience in Academia & Administration.
- Ph.D. in Electrical Engineering (Control System)
- Area of Expertise: Control system, Power Electronics and Automation

I. Chief Vigilance Officer: Sh. Satish Arora

He is working with Manav Rachna educational institutions from April 2002. He is handling the responsibility for security, Discipline and liaising with Local administration related to any issue with the organisation.

The details of Deans, Directors of Schools, Central Units and HoDs of Schools are as provided below:

S. No.	Name	Designation
1.	Dr. Sanjay Srivastava	Vice Chancellor, MRIIRS
2.	Dr. Naresh Grover	PVC, MRIIRS
3.	Dr. Pardeep Kumar	PVC, MRIIRS & Dean SET & SoD
4.	Dr. Puneet Batra	PVC, MRIIRS and Dean SAHS, SDS
5.	Dr. Meenakshi Khurana	Officiating Registrar and ED & Dean Academics, MRIIRS
6.	Dr. Sarita Sachdeva	ED & Dean - Research, MRIIRS
7.	Dr. Anita Khosla	Controller of Examination, MRIIRS
8.	Dr. Brijesh Kumar	Dean SCA, MRIIRS
9.	Dr. Taranjeet Kaur	Dean-SBSS, MRIIRS
10.	Dr. Shilpi Jha	Dean-SMeH, MRIIRS
11.	Dr. Monika Goel	Dean SoC, MRIIRS
12.	Dr. Deepti Dabas Hazarika	Dean SLM, MRIIRS
13.	Dr. Ritika Singh	Director-SCHM and officiating Dean HoD-Department of Hotel Management
14.	Dr. Rashima Mahajan	Dean-IQAC, MRIIRS
15.	Dr. Nandini Srivastava	Dean-CDP, MRIIRS

16.	Dr. Hanu Bharadwaj	Director CDC, MRIIRS
17.	Dr. Gurjeet Chawla	Dean DSW, MRIIRS
18.	Dr. Shaveta Bhatia	Director-CDOE, MRIIRS
19.	Ms. Sanya Bhalla	Head Alumni Relations and Executive Director International Affairs
20.	Dr. Sarkar Talwar	Director- Sports
21.	Dr. Umesh Dutta	Director- Innovation and Incubation Centre
22.	Ms. Kanupriya Shekhar	Sr. Director-Admissions
23.	Dr. Rajesh Kumar	University Librarian, MRIIRS
24.	Ms. Rakhi Pruthi	Director-CRC, MRIIRS
25.	Sh. Sabyasachi Sen	General Manager, IT, MRIIRS
26.	Dr. Geeta Nijhawan	Associate Dean SET, MRIIRS
27.	Dr. Tapas Kumar	Associate Dean SET, MRIIRS & HoD (Computer Science Engineering-Spl)
28.	Dr. Arnab Chakarborty	Director- SLM
29.	Ms. Shruti Jain	Director and HoD, SoD
30.	Dr. Mamta Dahiya	HoD-Computer Science Engineering
31.	Dr. Prabir Paul	HoD-Biotechnology
32.	Dr. Senthil Vadivel T	HoD-Civil Engineering
33.	Dr. Abhiruchi Passi	HoD-Electronics and Communication Engineering
34.	Dr. Leena G	HoD- Electrical and Electronics Engineering
35.	Dr. Manoj Nayak	HoD-Mechanical Engineering
36.	Dr. Shagufta Jabin	HoD-Applied Sciences
37.	Dr. Nitesh Malhotra	HoD- Department of Physiotherapy
38.	Dr. Divya Sanghi	HoD- Department of Nutrition and Dietetics
39.	Dr. Suhail Javed Quereshi	HoD-Department of Computer Applications
40.	Dr. Jayendra Verma	HoD- Department of Commerce
41.	Dr. Swati Chauhan	HoD-English

42.	Dr. Priyanka Tiwari	HoD-Department of Psychology
43.	Dr. Durairaj Kumarasamy	HoD-Economics

3) Academics

Academic Programme means programme of study leading to a Bachelor's degree, Master's degree, Diploma, Certificate, Doctorate, etc. All the academic programmes comprise of two baskets: Compulsory Course Basket and Elective Courses Basket. The Compulsory basket comprises mandatory courses (2/3rd of total credits) required for award of degree. Under Elective courses basket there can be a pool of courses which may be supportive to the discipline of study or providing an expanded scope or enabling an exposure to some other discipline/ domain or nurturing a student's proficiency/skill. Curriculum booklet of each programme is also available on the university website. Curriculum of each programme offered is designed after following a methodical approach considering the vision and mission of institute, NEP 2020, employment opportunities, feedback from stakeholders and program educational objectives. The curricula developed for each programme are equipped with well-defined program outcomes/programme specific outcomes and well-formulated course outcomes. Periodic interventions are made time to time for curriculum revision after reliable monitoring, assessment and feedback to meet the stakeholders' expectations, local, national and global standards and market demands besides supporting the all-round development of students. Multi Entry Multi Exit option in all programmes except Engg., Physiotherapy and dental from AY 2024-25.

f. Internal Quality Assurance Cell:

Manav Rachna International Institute of Research and Studies maintains an Internal Quality Assurance Cell (IQAC) to oversee quality processes as both a regulatory requirement and a best practice. The prime task of the Cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance by channelizing its efforts and taking measures towards promoting the holistic academic and administrative excellence of the units. IQAC at MRIIRS advises and oversees establishing Standard Operating Procedures (SOPs) for various constituent processes and procedures of the University in order to thwart any degree of arbitrariness, wayward actions and makeshift arrangements unless some compelling situations justifiably demand otherwise.

IQAC also undertakes periodic academic review of the various departments in which specific measures for quality are suggested and implemented. The cell plays a key role in promoting quality culture in respective academic and administrative units. The cell also conducts faculty and staff development programmes, workshops and expert lectures from time to time to generate quality awareness among faculty and students for enhancing quality of education and student support services. Since quality enhancement is a continuous process, the IQAC at Manav Rachna International Institute of Research and Studies work towards realization of the goals of Quality Initiatives and Sustenance for all its Academic and Administrative Units.

<https://manavrachna.edu.in/assets/campus/mru/pdf/Acad-088-Office-order-regarding-reconstitution-of-the-Internal-Quality-Assurance-Cell.pdf>

g. Library: Basic Information at a glance:

A state-of-art library rendered with rich digital resources, necessary amenities and technological support provides a huge repository of knowledge. The digital resources including e-books, e-journals and databases are available 24x7 through online public access catalogue portal. Students can use their allotted login credentials to access the e-resources outside the campus. The rules & regulations related to library resources are available on the university website.

5) Research

MRIIRS Research and Development Cell (RDC) is committed to research and innovation as a central part of its mission aligned with the National Education Policy (NEP) 2020 and the UGC's efforts to promote research that contributes meaningfully to the goal of a self-reliant India, known as Atma Nirbhar Bharat.

The main objective of RDC is to create a conducive environment for enhancement of research productivity, knowledge generation, facilitation of research, innovation and technology development and resource mobilization; thereby integrating Research, Innovation and Technology Development for sound foundation for students and enhancing professional growth of faculty members.

A. Research and Development Cell

The RDC oversees the management of publications, innovations, and incubation activities at MRIIRS. Different research directors are appointed for each domain to achieve the yearly benchmarks set by the university. The university has engaged in numerous projects, both government and non-government, with a notable focus on initiatives such as the Jal Jeevan Mission (JJM) and Atal Bhujal Yojna. Additionally, collaborations include projects with organizations like NSFM-ICAR, TARE Scheme SERB DST, Haryana State Council for Science, Innovation, and Technology, and the Indian Endodontic Society.

Another key component of this initiative is the Manav Rachna Incubation Centre designed to encourage and support the development of knowledge-based and technology-driven startups. The centre takes pride in its 107 alumni student startups and the presence of 85 startups on campus till the year 2023-24. Furthermore, the centre has gained the support of the Government of India-funded NexGen Innovation and Entrepreneurship Development Centre (NexGen IEDC), aimed at helping students commercialize their innovative ideas. Additionally, the centre benefits from an active and vibrant Entrepreneurship Development Cell run by students. Each shortlisted student startup is provided with a prototype development grant of up to Rs. 2.5 lakhs. Over the past five years, there has been a significant achievement in research publications, with 2720 publications recorded in the Scopus database alone. MRIIRS has an established Research Policy which mention incentive scheme to encourage faculty members, resulting in a noticeable increase in publications in

indexed and referred journals, reflecting the scientific prowess of researchers. This effort has led to an increase in the H-index from 17 in 2016 to 44 in Scopus and 35 in WoS (Web of Science) as of 2024.

<https://manavrachna.edu.in/mriirs/research/research-clusters>

Foreign Collaborations

MRIIRS has actively pursued collaborations with foreign industries and universities as part of its commitment to global engagement and knowledge exchange. These collaborations span various sectors, including academia, research, and industry, fostering opportunities for joint projects, exchange programs, and knowledge transfer. By partnering with esteemed institutions and industries abroad, MRIIRS seeks to enrich its academic and research environment, broaden the horizons of its students and faculty, and contribute to global innovation and development initiatives. In its quest for excellence, MRIIRS Academic tie-up with a number of prestigious foreign Universities such as Auckland Institute of Technology, New Zealand, Universitas Sultan Ageng Tirtaya (UNTIRTA), Universiti Teknologi MARA (UiTM) Shah Alam, Peoples' Friendship University of Russia (Rund Russia), Istanbul Galata Üniversitesi (Istanbul), AMBO University (Ethiopia), Hacettepe Üniversitesi (Turkey), College of Information and Electrical Engineering Asia University (Taiwan), Hellenic American University (USA), University of Malaya (Malaysia), MAHSA University (Malaysia), National University of Ukraine on Physical Education and Sport, Ukraine, St. George University, West Indies, The University of Waikato, New Zealand, The University of Winnipeg, Canada, The notable ones include Laurentian University, Livingstone International University of Tourism Yuan Ze University, Taiwan, Wentworth Institute of Higher Education, Australia Western Sydney University, (Sydney) Illinois Institute of Technology, (Chicago) Norquest College, (Canada), Ohio University, (US) Universiti Teknologi Malaysia (UTM) The University of Newcastle, Australia, Universitas Indonesia, Indonesia, Purdue University North West (USA).

<https://manavrachna.edu.in/mriirs/global-panorma/tie-ups-and-engagements>

Industry Collaborations

MRIIRS has established key collaborations and MoUs with prominent industries, facilitating partnerships for research, skill development, and knowledge exchange. These collaborations span various sectors, offering students valuable opportunities for internships, hands-on learning, and industry exposure such as National Skill Development Corporation (NSDC) Intel, National Association of Software and Service Companies (NASSCOM), Statistical Analysis System (SAS), Amrita Hospitals, Big Bang Boom Corporate Solutions, International Federation of Electric Vehicle Association (i-FEVA), Indian Institute of Millets Research (IIMR), 1on Ventures, Mitsubishi Electric India, Microsoft, Coding Ninjas's, Electric One, Energy Research Institute-TERI, Bombay Stock Exchange (BSE), Asian Hospital, Google, Infosys, Sarvodaya, Infispark, Zell Education, The

Institute of Company Secretaries of India (ICSI) ,Electronic Industries Association of India ,CAIRNS- Vedanta Oil & Gas Pvt Ltd Gurugram ,EMTRC and VIMHANS many more.

MRIIRS has established MoUs with various industries and universities to facilitate credit transfer based on internship experiences, research work, and the delivery of courses for the students. These agreements promote academic and research collaborations, joint degree programs, faculty exchanges, and other initiatives for cross-cultural understanding and academic excellence. Additionally, the students leverage their practical experiences gained through internships and research projects towards earning academic credits. Additionally, students have the opportunity to take courses at partner institutions and transfer those credits back to MRIIRS. The details of major active MoUs are included below:

Name of the Department	Date of signing of MoU (dd-mm-yyyy)	Name of the organization with whom MOU/ Collaboration signed	Purpose of MOU/ Collaboration
Nutrition and Dietetics	06-08-2024	Sarvodaya Hospital, Faridabad	Internship, Job training, collaborative research
	19-10-2024	All India Institute of Ayurveda	Collaborative research, joint projects, conferences, workshops, and sharing lab related facilities
	08-08-2022	Universitas Sultan Ageng Tirtaya (UNTIRTA)	Delivery of Courses
	20-03-2023	Morarji Desai national Institute of Yoga	Joint research project, academic activities, Guest lectures, Skill development, and capacity building
	23-08-2022	National Institute of Food Technology Entrepreneurship and Management (NIFTEM)	Faculty exchange, Research collaboration, Student Exchange
	10-06-2022	Nutra Supplements	Faculty exchange, Research collaboration, Placements
Physiotherapy	10-09-2024	Accord Super speciality Hospital, Faridabad	Research collaborations, Clinical training and Internship, Placement
	09-10-2024	Sprouts child development center, Gurugram	Clinical training, Research collaborations, academic Collaboration

	17-10-2024	Peoples' Friendship University of Russia , Rund Russia	Short Term Exchange , Promote Education Program Workshop , Symposium Joint Research
	17-10-2024	Istanbul Galata Üniversitesi, ISTANBUL	Short-Term Exchange (Student And Faculty), Promote Education Program , Research Projects
	05-02-2024	AMBO University, Ethiopia	Short-Term Exchange (Student And Faculty), Promote Education Program , Research Projects
	16-07-2024	Asia College of Exercise Medicine	Education Promotion
	29-07-2022	Sarvodaya Hospital	Clinical training, Research collaborations, academic Collaboration
	04-12-2024	Hacettepe Universities	Academic exchange, Research
Applied Psychology	14-08-2023	VIMHANS	Internship, Training, Faculty Exchange
	19-07-2023	No Worry No Tension	Internship, Training, Faculty Exchange
Computer Applications	23-03-2023	India Block Chain Alliance, IBA /TPCRA World	Joint guidance of student projects, Joint Training and Certification programs for students and faculty, Joint Consultancy projects, Internship and placements
	28-09-2022	Code Tantra Tech Solutions Private Ltd.	Provide platform for teaching/learning for the programming languages like Java, C, C++ etc Train the personnel from SCA on the ICT platform
	27-11-2021	Globus Eight India Private Ltd.	BCA Specialisation in AI & ML, CS, and DS BDA Programmes in association with Microsoft.

	20-12-2021	Status Neo Technology Consulting Private Ltd.	Internship for BCA, B.Sc. IT and MCA students, Placement, Training programs for the faulty members on latest technologies
	06-12-2021	VDoIT Technologies Private Ltd.	Internship for BCA, B.Sc. IT and MCA students, Placement, Training programs for the faulty members on latest technologies
	31-07-2019	College of Information and Electrical Engineering. Asia University	Student and Faculty exchange programs, max 4 students in one academic year and a duration should be at least 2 months
Dental	18-11-2023	ASHA JYOT DRUG DEADDICTION CENTER & REHABILITATION CENTER, FARIDABAD	Academic & Clinical Training
	27-07-2022	University of Malaya, Malaysia	Academic and Clinical Training
	06-05-2022	Sheep Medical India Private Limited	Research Collaboration
	29-07-2022	Asian Hospital, Faridabad	Clinical Postings/Internship
		Asyiah Polytechnic Pontianak, Indonesia (Research Agreement)	Research project on metabolic syndrome
	12-04-2022	Balaji Dental and Craniofacial Hospital, Chennai	Clinical Postings/Internship
		Cahaya Padma Kumara Foundation, Indonesia	Faculty exchange, Research collaboration, Student Exchange
	29-02-2024	Dr Suraj Prakash Arogya Kendera	Specialist services for dental care and OT usage
	15-03-2024	KL Mehta Dayanand College for Women	Clinical Postings/Internship
	06-05-2024	MAHSA University, Malaysia	Student Exchange Programme Attended conference MI-DENT Dentistry Conference by MAHSA University
		National Association for the blind	Student Clinical training, Health camps
	10-06-2022	Invisalign	Clinical Postings/Internship

		Nebula Surgical Private Limited	Research Collaborations
	05-06-2023	Sheep medical India private limited	Research Collaboration
		Shweta Dental Clinic	Clinical Postings/Internship
	15-02-2023	Amrita Hospitals	Clinical Postings/Internship
	26-07-2024	District Higher Education Officer, Faridabad	District Higher School Oral Health Programme
	04-12-2024	SAI DHAM	School training and Oral health camps
Biotechnology	05-08-2023	BSC BioNEST Bio-Incubator, Regional Centre for Biotechnology Campus, NCR Biotech Science Cluster, 3rd Milestone, Faridabad-Gurgaon Expressway, Faridabad 121001	Internships/Training/ Project work/ Consultancy/ Collaborative Research
	26-05-2022	Foresight Biotech Private Ltd	Internships, Training, Workshops, Mentorship
	27-09-2024	Mohor Superfoods	Internships/Training/ Project work/ Consultancy/ Collaborative Research
Civil	03-05-2024	National Council for Cement and Building Materials (NCCBM)	Internships/Training/ Project work/ Consultancy/ Collaborative Research
Computer Science Engineering-Specialization	20-09-2023	Altair Engineering India Pvt Ltd	Software Support and Training in Data Science
	05-05-2023	Infosys	Employment enhancement, to enrich the student's technical skill, Internship, Project work, Knowledge partner for B. Tech AI/ML & Cloud computing program
	18-07-2022	Microsoft	Employment enhancement, to enrich the student's technical skill, Internship, Project work
	10-11-2022	Google Tata Strive	Employment enhancement, to enrich the student's technical skills and provide faculty with free course access to educate students on infrastructure technology for information storage, cloud, and big Data.

	01-06-2021	Oracle	Employment enhancement, To enrich the student's technical skill and provide faculty with free course access to educate students on infrastructure technology for information storage, cloud and big Data.
	14-08-2024	Wadhvani Foundation	Equip faculty and students with entrepreneurship-based skills with
	06-08-2024	NASSCOM	Upskilling of faculty and students on Emerging technologies
Electronics and Communication Engineering	19-06-2024	Synopsys International limited	Skilling of Students
	14-08-2024	1on Ventures	Start Ups , Trainings
	26-11-2024	National Skill Development Corporation	Upskilling of faculty and students on Emerging technologies
	21-07-2023	Electronic Industries Association of India (ELCINA)	Project Work/collaborative research, online Training, Research
	8-11-2024	Big Bang Boom Corporate Solutions	Hackathons, Trainings, Project Collaborations
	04-04-2024	Raspberry Pi Foundation	Summer Internship
Electronics and Electrical Engineering	02-05-2023	Mitsubishi Electric India	Internship, Project Work, collaborative research
Mechanical	05-07-2024	International Federation of Electric Vehicle Association (i-FEVA)	Internship, Project Work, collaborative research
School of Leadership and Management-PG	29-03-2024	National HRD Network	Internship, Project work, Industry connects
	21-04-2024	Harvard Business School Publishing	Project Work
	13-03-2024	All India Management Association	Project Work
	05-12-2024	SAS	Training For Students
School of Leadership and Management-UG	13-02-2019	Western Sydney University	Faculty exchange, Research collaboration, Student Exchange for short term courses
	17-07-2023	Auckland Institutes of Studies (AIS New Zealand)	This collaboration furthers the relationship b/w AIS and MRIIRS

	06-12-2023	FINx	Promoting excellence in education through Industry Academia Interface
	04-12-2023	Bombay Stock Exchange Institute Limited	Promoting excellence in education through Industry Academia Interface
	28-07-2021	The University of Waikato, New Zealand	This collaboration furthers the relationship b/w University of Waikato and MRIIRS
	24-04-2024	Hellenic American University, USA	Academic Collaboration
English	02-11-2024	Loyal Corporate Consultants Private Ltd	Job Training and Project Work
	05-12-2024	Strategic School for Professional Skills(SSPS)	Organizing Conference, Research Work and Research Publication
	21-10-2024	Nucleus Learning & Development, Vadodara	Academic and Research Collaboration, Internship Programmes and Ph.D. Programmes
	21-10-2024	Nucleus Learning & Development, Vadodara	Academic and Research Collaboration, Internship Programmes and Ph.D. Programmes
Journalism and Mass Communication	24-12-2024	Jagran New Media, Noida, UP	Industry - academia collaboration for up skilling & capacity building
Commerce	14-06-2022	Zell Education Private Limited	To offer Core Course B.Com(H) with ACCA
	01-09-2022	Retailers Association's Skill Council of India (RASCI) and Reliance Trend	Faculty exchange, Research collaboration, Student Exchange for short term courses
	14-06-2022	Zell Education Private Limited	To offer Core Course B.Com(H) with ACCA
	19-08-2024	NorthStar Academy	To offer Core Course M.COM with CPA
	30-09-2022	CISO Ernst & Young CISO	Consultancy work and Project work
Design	30-05-2024	Prem Jain memorial Trust	Providing technical lectures, webinars, and panel discussions with industry experts on information on the latest research and development in sustainability

Centre for Advance Water Technology & Management	21-09-2021	EMTRC Consultants Private Ltd., New Delhi	MRCATM expert assisted EMTRC in fly ash project.
	18-08-2021	Geovale Services Kolkata	Geovale used our expertise on Rockworks for their project, MRCATM experts invited to attend one day workshop at Kolkata
	01-03-2022	World Skill Centre Bhubaneswar	Faculty exchange, Research collaboration, Student Exchange
	20-04-2021	Vedanta Cairns Private LTD.	Faculty exchange, Research collaboration, Student Exchange
School of Allied Health Sciences	19-08-2021	Fit India, India	Joint research project, Curriculum design, placement, Guest lectures, Industrial Training
	24-11-2021	Galactus Funware Technologies Pvt Ltd-MPL	Faculty exchange, Research collaboration, Student Exchange for short-term courses
	23-09-2021	Sports Next, India	Short term courses, workshops, Placements
	14-06-2021	Sports, Physical Education, Fitness & Leisure Skills Council-SPEFL-SC	Joint research project, Curriculum design, placement, Guest lectures, Industrial Training

B. Incubation centre/Start-Ups/Entrepreneurship Cell

Manav Rachna Incubation Centre has been designed to encourage and support the development of knowledge-based and technology-driven startups. The centre takes pride in its 107 alumni student startups and the presence of 85 startups on campus till the year 2023-24. Furthermore, the centre has gained the support of the Government of India-funded NexGen Innovation and Entrepreneurship Development Centre (NexGen IEDC), aimed at helping students commercialize their innovative ideas. Additionally, the centre benefits from an active and vibrant Entrepreneurship Development Cell run by students. Each shortlisted student startup is provided with a prototype development grant of up to Rs. 2.5 lakhs.

<https://manavrachna.edu.in/mriirs/research/incubation>

C. Central Facilities

Centers of Excellence have been established in collaboration with industry partners from time to time. The research ecosystem enhanced through these CoEs has been established to cater the needs of students and faculty members who are inclined towards research, innovation, have novel ideas and are buzzing with out-of-box thinking • We focus on developing research infrastructure for enhancing our research and improving our research quality drastically. Dedicated Research Laboratories have been established to cater the needs of the researchers across the campus. These labs have state of art facilities sponsored by industry and organization named as Intel® Intelligent Systems Lab, The Applied Research Lab, Mitsubishi Authorized Training Centre, Sports Science Rehabilitation Centre , Centre of Dental Excellence.

Manav Rachna Centre For Advance Water Technology & Management (MRCAWTM) was established under FET, MRIIRS Faridabad on 13th April 2017 as a Centre of Excellence with the vision to ensure ‘Clean water for all forever’. MRCAWTM is having five field research units, one each at Barmer, Ballabgarh, Khol-Rewari, Palwal and Panchkula. The center, has been recognized for its research acumen at State Government level, as reflected in award of State Government Projects on National Flagship Programs namely Jal Jeevan Mission (JJM) and Atal Bhujal Yojna. In Jal Jeevan Mission (JJM), the university participated as State Implementation Support Agency (SISA) for Public Health Engineering Department (PHED) with funding of Rs 47.53 lacs for the year 2021-22 and has been given extension for one more year i.e., 2022-23. In Atal Bhujal Yojna Atal Jal, MRIIRS is associated as District Implementation Partner (DIP) with Water Resource and Irrigation for Atal Bhujal Yojna Atal Jal having Faridabad and Palwal Districts as work domains with funding of Rs 7.73 Crores for a period of 4 years.

MRCAWTM in its short period of journey of 5yrs, has been able to achieve significant milestones in the form of projects obtained, executed, and completed. So far 8 projects have been completed between June 2018 and June 2021 of worth ~Rs2.0 Cr.

In the year 2023, a new stand alone center has been established ie: **Centre for Healthcare Innovation (CHI)** which is a dedicated hub for pioneering advancements in healthcare research, technology, and education. CHI aims to bridge the gap between academia, research, and healthcare practices to address pressing challenges in the healthcare sector. It stands as a testament to the institution’s commitment to blending academic excellence with societal impact, ensuring that healthcare solutions are accessible, effective, and sustainable.

Furthermore, CHIs commitment extends beyond urban centers to rural and remote areas, where access to healthcare remains a significant challenge. By harnessing cost-effective

technologies and leveraging interdisciplinary teams, CHI aims to bridge the healthcare gap between urban and rural communities, ensuring that even the most underserved populations receive the care they deserve. CHI seeks to translate groundbreaking research into tangible solutions that positively impact the lives of individuals and communities nationwide, with having key themes as:

- Maternal/Child Health and Nutrition,
- Mental Health,
- Affordable Medical Devices,
- Health Data Intelligence,
- Sports and Wellness

Another centre which has been envisioned in 2022 and established in 2023 with nomenclature as **“Centre for Medicinal Plant Pathology (MRCMPP)”** aims to become a hub for research, innovation, and education in the field of medicinal plant health. As medicinal plants are essential in traditional and modern medicine, the center focuses on identifying, managing, and preventing diseases that affect these plants. Through multidisciplinary collaborations, MRCMPP bridges agricultural science, biotechnology, pathology, and pharmacology, ensuring sustainable cultivation and preservation of medicinal plants.

It also has the potential to make a significant impact by fostering innovation, conservation, and sustainable practices in the field of medicinal plants. With the right infrastructure, partnerships, and research focus, MRCMPP can lead in plant health management, benefiting farmers, industry, and society alike. By addressing critical challenges in medicinal plant cultivation and disease management, the center will contribute to sustainable agriculture and high-quality herbal medicine.

We focus on developing research infrastructure for enhancing our research and improving our research quality drastically. Dedicated Research Laboratories facilities have been established to cater the needs of the researchers across the campus. These labs have state of art facilities sponsored by industry and organization of repute namely:

Intel® Intelligent Systems Lab Intel®

Intelligent Systems Lab has been established in accordance with the collaboration between Manav Rachna International Institute of Research and Studies and Intel® Corporation (Intel) to offer B.Tech Electronics & Communication Engineering with specialization in Artificial Intelligence & Internet of Things.

The Applied Research Lab

This lab established in 2023, focuses on solving practical problems and challenges using scientific methods and tools. It aims to generate new knowledge in various fields and disciplines that can address innovative solutions to real-world problems and improve the quality of life of people and communities. The faculty members conduct research and foster collaboration among researchers, sponsors, industry, government, and stakeholders. In addition, the lab also provides training and capacity building for students, faculty, research scholars and working professionals with hands-on experience and exposure to cutting-edge research and technology. The lab is equipped with the latest statistical software for data analytics, such as STATA 18.0, EVIEWS 13.0, NVivo 14, XLSTAT, R, Python and Grammarly.

Manav Rachna Centre for Dental Excellence (MR-CDE) aims to serve as a leading hub for clinical innovation, research, and advanced education in dentistry. The Centre focuses on cutting-edge dental care practices, including digital dentistry, oral disease prevention, cosmetic dentistry, and public health outreach programs. MR-CDE seeks to provide high-quality dental care while fostering skill development, research innovation, and industry collaboration, making a significant impact on oral health at local, national, and global levels.

It play a pivotal role in transforming dental education and healthcare through a blend of clinical excellence, research, and community engagement. With a focus on advanced technologies, preventive care, and interdisciplinary research, MR-CDE aims to become a beacon of innovation and social impact in the field of dentistry. By fostering collaborations and nurturing future dental professionals, the Centre focuses to contribute to improving oral health and well-being.

MRIIRS is steadfast in its journey to establish itself as a leading research-driven institution. Over time, it has consistently enhanced its facilities and support systems to empower researchers and foster innovation. At its core, MRIIRS recognizes that research is a vital catalyst for progress, serving as the backbone for informed decision-making, societal advancement, and the ongoing betterment of human life across diverse fields

<https://manavrachna.edu.in/research-and-innovation/centers-of-excellence>

6. Student Life

A. Sports:

Sports is a parallel medium of instruction at MRIIRS which focuses on a sports-centric philosophy to create healthy minds in healthy bodies. The World-Class infrastructure provides for total sports management which nurtures sports talent of the students at all levels from pre-primary to the college level. World class sports facilities for outdoor and indoor games (which include basketball,

volley ball, cricket, shooting, table tennis, squash, billiards, soccer, chess, carom to name a few) offers infrastructure which caters for budding sports learners. There is a 25m Shooting Range and 10m air conditioned Indoor Shooting Range operated on SIUS Ascor electronics targets of Olympics standards. Manav Rachna also has an indoor badminton and table tennis stadia with synthetic courts in association with Yonex and Stag respectively. These offer the best facilities in Haryana. A Sports Fitness Centre to meet psychological, physiotherapy and other health related issues is also available. Besides, Manav Rachna boasts of a Soccer Academy and a Semi Olympic sized swimming pool.

B. National Service Scheme (NSS Wing)

This team covers areas like social responsibility of Environment, Anti-ragging awareness, Health & Hygiene, Sustainable development, Education for all, Computers for all, language enhancement for housewives, Education for labor kids etc. Completely organised by the NSS wing, both students and teachers through their combined participation in social service, get a sense of involvement in the tasks of National Development. From serving the under privileged to community outreach, the NSS society is involved in diverse contributions towards building Sustainable Communities.

<https://manavrachna.edu.in/mriirs/life/dsw>

C. Hostel:

Manav Rachna International Institute of Research and Studies (MRIIRS) offers on-campus hostel and off campus accommodation for both male and female students, with options available in both air-conditioned and non-air-conditioned facilities. Our hostel infrastructure is designed to provide students with a "home away from home" experience, featuring modern amenities, safety measures, and comfortable living spaces. The state-of-the-art facilities ensure that every student feels welcomed and secure during their stay, contributing to a conducive environment for academic and personal growth.

<https://manavrachna.edu.in/mriirs/life/hostel-facility>

D. Placement Cell and Activities:

The Corporate Relations & Career Development Centre at MRIIRS plays a pivotal role in forging strong ties with esteemed organizations, continually expanding our network to enhance career prospects for our students. Each year, the list of collaborating companies grows, with over 250 firms participating in our campus placement drives. Our extensive connections across various industry sectors, combined with interactions with some of the

industry's most respected figures, enable us at Manav Rachna to develop a curriculum that is closely aligned with the latest industry requirements. Our teaching and learning methods are designed to be in harmony with industry standards, facilitating our students' successful placement in reputable organizations

E. Student Grievance Redressal Committee (SGRC)

Student Grievance Redressal Committee (SGRC) is an integral part of Manav Rachna International Institute of Research & Studies (MRIIRS) administrative affairs. University is focused to ensure the well being, safety, security of the student and his/her academic journey in the university without any hassles. Thus, to make the environment student friendly, the Student Grievance Redressal Committee is to be formed at department level as well as the University level, whereby any student can easily seek Redressal for any grievances that may arise during their stay in the university. The student can approach in person or through the digital platform i.e. Education Management System (EMS).

The three main mechanisms through which Student's grievances shall be handled in MRIIRS.

✚ Departmental Level Students Grievances Cell

1. Student files a grievance from his/her student own EMS ID

Several categories of Grievances are available for the student

✚ SFC: Student Facilitation Center

✚ EMS: Education Management System

Link : <https://manavrachna.edu.in/assets/campus/mriirs/pdf/StudentGrievanceRedressalCommittee.pdf>

Link: <https://manavrachna.edu.in/mriirs/about/key-functionaries#Ombudsperson>

The university is providing the students a convenient, easy to use and efficient digital mechanism of seeking Redressal and resolving Grievances. Every student of MRIIRS uses EMS to access all academic and non-academic information about university, department and course related matters. In the same way it shall include the facility to register grievance for which the student needs any solution. The EMS system shall be designed to ensure quick action and disposal of the grievance within 48 to 72 hours.

Student Grievance Redressal Committee (SGRC) is an integral part of Manav Rachna International Institute of Research & Studies (MRIIRS) administrative affairs. University is focused to ensure the well being, safety, security of the student and his/her academic journey in the university without any hassles. Thus, to make the environment student friendly, the Student Grievance Redressal Committee is to be formed at department level as well as the University level, whereby any student can easily seek Redressal for any grievances that may arise during their stay in the university. The student can approach in person or through the digital platform i.e. Education Management System (EMS).

F. Health Facilities:

A wide range of health and welfare services are available at MRIIRS campus. It has a well-equipped dispensary for first aid and minor medical services, with a qualified Doctor and nursing staff to take care of the medical emergencies. MRIIRS also has two well equipped ambulances to cater to any exigencies thus ensuring highest medical safety. Besides having the First-Aid room in the campus and a separate sick bay for boys and girls, there is a state-of-the-art, Dental, N&D, Physiotherapy and Mental Health OPD. Medical Consultant also is available during the specified hours on all working days.

<https://manavrachna.edu.in/mriirs/life/other-facilities>

G. Internal Complaints Committee

In pursuance of UGC (Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions) Regulations, 2015 with Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, Internal Complaints Committee (ICC) is constituted to deal with the complaints relating to Sexual harassment of women at work place. The objective of these ICC SOPs stems from the gender policy which aims to provide protection against sexual harassment of people at workplace and for the prevention and redressal of complaints of sexual harassment and for matters connected therewith.

<https://manavrachna.edu.in/assets/campus/mru/pdf/Internal-Complaints-Committee-1.pdf>

H. Anti Ragging Cell with Helpline Numbers:

In compliance with directives from the Honorable Supreme Court, UGC Regulations on curbing ragging in Higher Educational Institutions (2009), The Haryana Prohibition of Ragging in Educational Institutions Ordinance (2012), and AICTE Regulations (2009) on Prevention and Prohibition of Ragging in Technical Institutions and Universities including Deemed to be Universities imparting Technical Education, MRIIRS has established the following Anti-Ragging Committees and Anti-Ragging Squads/Discipline & Floor Management Squads. The following are the entities tasked with ensuring the strict and meticulous implementation of the directives.

- ✚ High Powered Anti Ragging committee
- ✚ Quick Reaction Anti Ragging committee
- ✚ Anti Ragging Monitoring Cell

https://manavrachna.edu.in/assets/campus/mriirs/pdf/Ant_Ragging_MRIIRS.pdf

I. Equal Opportunity Cell:

MRIIRS has well-established policy on Equity Diversity and Inclusion. The Equality, Diversity, and Inclusion (EDI) policy comprises a framework of principles and protocols that an organization embraces to guarantee impartial and equal treatment for all individuals, irrespective of factors such as age, gender, disability, race, religion, belief, sexual orientation, marital status, or pregnancy and maternity status. Students thrive in an environment where they are encouraged to explore their unique identities and perspectives, while faculty members are empowered to nurture a culture of understanding and inclusivity. Through meaningful interactions and ongoing education about diverse cultures and experiences, we foster an atmosphere of empathy and mutual respect irrespective of gender, religion, race and sexual Orientation.

https://mriirs.edu.in/wp-content/uploads/2023/08/MRIIRS-Policy_on_Equality%20Diversity%20and%20Inclusion.pdf

J. Socio-Economically Disadvantaged Group Cell:

MRIIRS has constituted a Discrimination complaint Committee for the redressal of complaints by Students, Teachers and other staff member from the reserved categories. By facilitating the redressal of complaints and implementing measures to prevent discrimination, MRIIRS aims to promote a supportive and conducive atmosphere for learning and working, ultimately fostering a culture of respect and diversity within the institution.

<https://manavrachna.edu.in/assets/campus/mru/pdf/Discriminating-Complaints-Committee.pdf>

K. Facilities for differently abled:

MRIIRS prioritizes inclusivity and accessibility for all individuals, including those with disabilities. University has established a welcoming and barrier-free environment throughout the University campus. There is dedicated Disability Support Office, which plays a vital role in ensuring that University not only meet legal requirements but also fulfill the broader mission of creating a place where every student can excel, regardless of their unique needs or abilities.

Within the campus, various accessibility features, such as ramps, lifts, tactile paths, well-placed lighting, informative display boards, and clear signposts are available. Additionally, University facilitates accessible website that accommodates individuals with different abilities, including compatibility with screen-reading software. Moreover, we provide essential resources like readers and scribes, as well as digital copies of reading materials to support the students.

At MRIIRS, human assistance is readily available in all our campus blocks, ensuring that anyone who requires information or assistance can easily access it. We are committed to fostering an inclusive environment where diversity is celebrated, and everyone has the opportunity to thrive.

Students with learning disabilities may struggle to acquire knowledge through traditional teaching learning methodologies. MRIIRS understands their need of special attention and provides required support through counselling sessions, in terms of remedial classes, bridge courses, mentor-mentee counselling sessions, Yoga Sessions etc. These facilities provide equitable opportunities and support to ensure that individuals with disabilities can participate fully in various aspects of life, including education, employment, and community engagement. These schemes often involve mentoring and targeted support programmes to empower individuals with disabilities. <https://manavrachna.edu.in/mriirs/life/infrastructure-and-support-services>

मनोव्रिति: Counseling and Wellness Centre: The Department of Psychology provides guidance and counselling support to students, faculty, staff members of MREI and the community through the Manovriti centre. The centre through its objectives provides a safe space to discuss and find solutions of the difficulties faced. <https://manavrachna.edu.in/mriirs/life/manovriti>

7) Alumni

A. Alumni Association (provide link of portal where applicable)

Manav Rachna International Institute of Research & Studies Alumni Association is registered under the Manav Rachna Vidyanatariksha Foundation. The Alumni Association has an Alumni Base of 22000+ members and ten School chapters for easier administrative reach out:

1. School of Engineering & Technology Chapter
2. School of Design Chapter
3. School of Computer Applications Chapter
4. School of Media Studies and Humanities Chapter
5. School of Commerce Chapters
6. School of Leadership and Management Chapter
7. School of Allied Health Sciences Chapter
8. School of Behavioral and Social Sciences Chapter
9. School of Dental Sciences Chapter
10. School of Culinary Arts and Hotel Management Chapter

Each School Chapter has an Alumni Faculty Coordinator to support and enhance the alumni connect. These chapters work under the umbrella of the Central Alumni Association to create personal connections with the alumni of MRIIRS under the respective departments.

MRIIRS has been regularly holding Executive Council meetings as per the quorum to undertake initiatives for the welfare of the Alumni Network. The Executive Council meetings have been followed by the meetings of Faculty chapters. The Executive Council comprises of members of the Students Welfare Department, faculty members, Heads of Departments and alumni. All the Executive Council meetings are headed by designated the Chief Patron, the President and the Treasurer of alumni association in line with Bye Laws. The enhancement of alumni connect is always explored like creation of area wise Alumni clusters, establishing a networking platform for the alumni, organization of various events like alumni meet, lectures and other connect activities. The Chapters have also been holding Expert lectures; Seminars & Alumni connect activities etc. at their respective levels for Alumni Engagement.

Beside financial support and contribution, the Alumni of MRIIRS provide support to the university in various ways like expert guidance for the students in their respective fields and industry exposure. The alumni are regularly called for mentoring and various career counseling sessions for the students. In addition to this, the alumni have also been involved in the various cultural

and other internal events organized in the university. At the same time the alumni have been given access to different facilities in the university campus like Library resources, Sports Facilities etc. Further, the alumni are regularly invited for several events like:

- 1) Student Competition
- 2) Alumni Lectures
- 3) Alumni Meets
- 4) Alumni Discussion
- 5) Cultural Fests
- 6) Placement Drives
- 7) Orientation Programs.
- 8) Convocation Programs
- 9) Career and Skill Development Workshops

MRIIRS gives immense importance to its alumni. Alumni serve many valuable roles such as helping in financial and non-financial contribution. They also contribute towards achieving of institutional goals of MRIIRS as they are the part of Board of Studies, Academic Council, IQAC etc. and supports in many ways by bridging the gap between industry and academia.

With the aim of supporting the professional and personal development of Manav Rachna alumni, the Alumni Relations Office (ARO) was established in 2014. Serving as a vital bridge between alumni and their alma mater, the ARO has significantly evolved over the years. It has bolstered alumni outreach, celebrated their achievements, facilitated mentoring programs, and organized engaging initiatives.

ALUMNI NETWORKING INTERFACE: ARO provides a networking interface- 'Alma Connect', exclusively for its alumni to connect and evolve. Along with the latest notifications about upcoming events and additions at Manav Rachna, the interface is regularly enriched with updated job postings to advance the professional genre of the alumni.

<https://manavrachna.edu.in/mriirs/life/alumni-speak>

<https://manavrachna.edu.in/one-community/alumni-speak>

B. Alumni Coordination cell

MRIIRS Alumni Relations office is dedicated to providing comprehensive support to alumni for their diverse needs and requirements, whether it's assisting with career guidance, or facilitating networking opportunities such as transcripts, grade cards, migration certificates, letters of recommendation (LORs), character certificates, medium of instruction certificates, no backlog certificates, or course completion certificates, the ARO ensures a seamless process. Additionally, the Alumni cell also engages in activities such as Alumni Mentorship for the existing students,

Alumni Success Book and celebration-Utkrist Icons of Manav Rachna, Women's Day Celebration String-#GirlUp: Break the Bias, Alumni Talk Shows.
